

Become a Rockin' Reader

Rockin' Readers are school volunteers who go into an area elementary school for one hour each week to share the joy of reading and the love of books with two or three individual at risk children between the ages of four and six. Training and registration for new volunteers will be held:

Tuesday, January 26 – 3:30-5:00 PM

Or

Wednesday, January 27 – 3:30-5:00 PM

J.J. Finley Elementary School Media Center, 1912 NW 5 Avenue

The volunteers in the Rockin' Readers program are encouraged to share the joy of reading and the love of books with those children to whom they read. Children whom might well fall behind their peers in reading are given the extra benefit that comes only through individual attention. In addition, the volunteer can be a significant force in helping a child develop a positive self concept as well as the emotional maturity necessary for success in the classroom.
