BOARD MEMBER/  
SUPERINTENDENT  
REQUESTS

Mrs. Roy:

- suggested that a reply be sent to a recent *Letter to the Editor* in the Gainesville Sun, to counter its misinformation on charter schools.
- questioned what might be done to counter any community impression that there is inadequate teaching on Black History and, specifically, Martin Luther King.

Mrs. Williams concurred with Mrs. Roy that there is extensive Black History and Martin Luther King teaching being taught, and it actually begins in kindergarten. Mrs. Childs believes a positive and continuing message about such teaching is the best response. Mrs. Pinkoson concurred.

Mrs. Pinkoson:

- questioned when Policy Workshops will continue. Staff Attorney Tom Wittmer stated that future Policy Workshop dates will be presented at the next Board meeting.
- suggested that, as discussed previously, the District investigate the use of bio-diesel fuel and contact the County for information on their distributor.

Mrs. Childs:

- stated that the plan for a paperless agenda will continue and that she and Mr. Eubank will work with Mrs. Ramos on establishing it.
- questioned when information would be forthcoming on a new microphone system. It was reported that information will be presented at the next meeting.

Mrs. Childs stressed the importance of Board members beginning to consider the initiatives they want to see in the 2007-08 budget.

Reminder: An employee hearing is scheduled for January 30, 2007, at 1:30 p.m.

Superintendent Boyd expressed pleasure at taking part in the Rotary third-grade dictionary giveaway at Lake Forest Elementary School. He expressed appreciation to Rotarians for this communitywide project.
