TO: PARENTS/GUARDIANS

The Code of Student Conduct has been developed to help your son or daughter benefit from school experiences. It defines the responsibilities and rights of students attending Alachua County Schools and states the consequences of student actions that disrupt the learning process. Students, parents and schools working together will help maintain a safe atmosphere where students can learn.

INTRODUCTION

This Code of Student Conduct explains the rights, expectations, and responsibilities of students, parents, and the school district regarding student behavior. The School Board also has other policies governing students and those policies are available on the district's website at [www.sbac.edu].

This Code applies to every elementary student (pre-kindergarten through grade 5) who is under the authority of the Alachua County school system.

The Code is in effect on school property, at school-sponsored events, at school bus stops, and on school buses. You may also be subject to discipline for violation of the Code if your misconduct is connected to activities or incidents that have occurred on property owned or controlled by the Board, or if your misconduct is directed at a Board official or employee or the property of such official or employee. The principal or designee may take administrative action if your misconduct on the way to or from school has a harmful effect on the health, safety, or welfare of other students and/or the school.

It is the policy of the School Board that misbehavior of any kind will not be tolerated. In order for instruction to occur in a safe environment, there must be a cooperative relationship between students, parents/guardians, and the school system.

STUDENTS are expected to:

- assume responsibility for their own behavior;
- be in school on time every day, if well, and to learn;
- respect individuals and property;
- use appropriate, responsible behavior at all times; and
- help maintain a safe, alcohol-free, drug-free, weapon-free environment.

For the benefit of the child, the School Board believes that:

PARENTS/GUARDIANS have a responsibility to encourage their child's career in school by:

- supporting the schools in requiring their child observe all school rules and regulations; and by accepting their own responsibility for their child's willful in-school behavior;
- sending their children to school with proper attention to his/her health, personal cleanliness, and dress;
- maintaining an active interest in their child's daily work and making it possible for him/her to complete assigned homework by providing a quiet place and suitable conditions for study;
- reading all communications from the school, signing, and returning them promptly when required; and
- cooperating with the school in attending conferences set up for the exchange of information of their child's progress in school.

The **SCHOOL SYSTEM** is expected to:

- administer through its teachers, staff, and administrators, appropriate consequences for misbehaviors so that teaching and learning can occur;
- provide and maintain a safe atmosphere which will encourage positive behavior and high achievement;
- provide courses of study, programs, and activities to meet the needs of all students;
- show respect for all individuals by treating them fairly and impartially;
- encourage open communication among students, parents/guardians, community agencies, and school personnel;
- discipline any student under its supervision, subject to limitations of the law and district policies; and
- treat parents and other members of the public with courtesy and respect.

SECTION TWO

DISCIPLINE BY LEVELS

The principal or designee is responsible for discipline and has a reasonable degree of discretion in determining the level of the behavior and its appropriate consequence. Schools and teachers may develop individual rules and disciplinary practices which supplement this Code but do not conflict with it. If a principal/designee needs to deviate from the range of consequences shown, he/she will write the rationale and place it in the discipline folder. The principal is authorized to take disciplinary action in response to all misbehavior. Corporal punishment is prohibited by the School Board of Alachua County.

For any misbehavior, the teacher or principal/designee will listen to your explanation and, when needed, talk to other persons involved and investigate further. The teacher or principal/designee may contact your parents.

A number of factors will be considered in determining the level of misbehavior and the resulting consequence. These factors include, but are not limited to:

- Seriousness of offense
- Planning, impulse, or self-defense
- Age
- Disability, if any
- Strength of evidence
- Cooperation/remorse
- Disciplinary history, if any

Behaviors and their consequences are divided into four levels. Each level represents progressively more serious misbehavior and consequence.

LEVEL IV DISCIPLINE

Level IV offenses are least serious acts of misconduct which interfere with orderly classroom or school procedures, or your own learning. These offenses may be handled first by the teacher or other staff member involved. You may also be referred to the principal/designee.

The following actions may be taken in response to Level IV misconduct:

- Verbal reprimand
- Time out
- Withdrawal of privileges
- Parent notification
- Counseling

LEVEL III DISCIPLINE

Level III offenses are serious acts of misconduct which require administrative action. Such offenses include repeated minor misconduct and acts directed against persons or property. These offenses do not seriously endanger the health or safety of others or yourself.

The following actions may be taken in response to Level III misconduct:

- Time out
- Withdrawal of privileges
- Parent notification
- Counseling
- Work detail/restitution
- Detention
- Behavior contract
- Saturday School
- In-School suspension

LEVEL II DISCIPLINE

Level II offenses are more serious acts of misconduct, including repeated similar misbehavior, serious disruptions of the orderly conduct of school and threats to health, safety, or property. These offenses are reported to the principal/designee and may result in your suspension from school, the school bus, or extracurricular activities.

The following actions may be taken in response to Level II misconduct:

- Behavior contract
- Saturday School
- In-school suspension
- Suspension from extracurricular activities
- Bus suspension
- Out-of-School suspension

LEVEL I DISCIPLINE

Level I offenses are the most serious acts of misconduct; they must be reported immediately to the principal/designee. These violations require notification to law enforcement. If you commit a Level I offense, you will be suspended from the regular education program and the principal/designee may recommend alternative placement or expulsion. Such acts may also result in criminal penalties.

The following actions may be taken in response to Level I misconduct:

- In-school suspension
- Bus suspension
- Out-of-school suspension
- Recommend long-term bus suspension
- Recommend alternative placement
- Recommend expulsion
- Report to law enforcement

Note: Your school zoning exemption may be revoked by the principal if you accrue one (1) or more Level I or II discipline referrals within the school year, or if you accrue three (3) or more Level III or Level IV offenses. The zoning exemption may also be revoked by the principal if you accrue six (6) or more unexcused absences within a school year, or ten (10) or more tardies within a school year.

OUT-OF-SCHOOL SUSPENSION

The principal or administrative designee has the right to suspend you from school for a serious act of misconduct (Level I or II offense under the Code) The procedure below shall be followed for suspension from school:

1. You will receive oral and written notice of the charges and an explanation of the evidence against you. In a conference, you will have an opportunity to respond to the charges and to explain your behavior.
2. If the principal or designee determines that there are sufficient grounds for suspension, then you will be informed that you are being suspended from school and for what length of time. You will normally be suspended effective at the end of the school day.
3. The principal or designee will make a good faith effort immediately to contact your parent or guardian by telephone and will also send written notice to your parent or guardian. The notice will state the length of the suspension and the reasons for it.
4. If suspended, you will be released to your parents/guardians with specific homework assignments to complete.
5. You or your parent may appeal a suspension decision through the Student Grievance procedure. See Section Five of this Code.
6. In an emergency the principal may temporarily suspend you prior to a conference when the safety or health of students, staff or other persons in the school may be threatened by your continued presence. When temporary suspension is necessary, the principal will inform your parent or guardian by the most rapid means (including telephone). As soon as feasible under the circumstances, the principal will hold a conference with you and your parents. Following the conference, the principal may formally suspend you; however, in no case shall the principal's temporary and formal suspensions exceed ten (10) days for the same offense.

If you are a student with a disability, the principal will follow the discipline procedures for students with disabilities.

The school principal may recommend to the Superintendent the expulsion of any student who has committed a serious breach of conduct (Level I offense under the Code). The procedure below shall be followed for expulsions from school:

1. You (the student) will receive oral and written notice of the charges and an explanation of the evidence against you. In a conference, you will have an opportunity to respond to the charges and to explain your behavior. You may give the principal the names of witnesses to the incident, so that they may be questioned.
2. You will be informed that you are being suspended from school for ten (10) days and that a recommendation for expulsion is being forwarded to the Superintendent. You will normally be suspended effective at the end of the school day.
3. The principal or designee will make a good faith effort immediately to contact your parent or guardian by telephone and will also send written notice to your parent or guardian. The notice will state that you have been suspended for ten (10) school days, that a recommendation for expulsion has been forwarded to the Superintendent and the reasons for the action taken.
4. Upon request, your parent or guardian will be given an opportunity for an informal hearing with the principal on the reasons for suspension and the recommendation for expulsion. This opportunity will be provided within 48 hours of the request (excluding Saturday, Sunday and school holidays).
5. The Superintendent or designee will investigate the incident as deemed necessary. Alternatives to expulsion shall be considered based upon sound educational reasons.
6. If the Superintendent finds a sufficient basis for an expulsion recommendation to the Board, a notice of charges will be served on your parent. Your parent or guardian may request a hearing on the charges within ten (10) calendar days from receipt of the Superintendent's notice. Failure to timely request a hearing or failure to appear at a hearing after notice of the date of hearing shall be deemed a waiver of any hearing on the matter.
7. When Board action on a recommendation for expulsion is pending, the Superintendent may extend the suspension beyond ten (10) school days until the next regular or special meeting of the Board. Your parent or guardian will be informed in writing of any extension.
8. The hearing agent's Recommended Order will be submitted to the Board. The Superintendent will notify your parent and student of the Board action.

On recommendation of the Superintendent, the Board may suspend your bus riding privileges for a longer period of time. Long-term suspension of bus privileges will be based on persistent misconduct which disrupts order on the bus and endangers the health, safety or welfare of other students riding the bus, or on a single incident of conduct which shows reckless or willful disregard of the safety of the driver or others.

1. If you have received three (3) or more bus misconduct referrals within a school year, the principal may forward a report to the Superintendent with a recommendation for long-term bus suspension. Your parent or guardian will receive written notice of the principal's recommendation.
2. If you are recommended for long-term suspension of bus privileges, the Superintendent will notify your parent or guardian of the time and place when a recommendation will be made to the Board. Your parent or guardian may request a hearing, conducted by the Board-designated hearing agent, within ten (10) calendar days from receipt of the Superintendent's notice.
3. When Board action on a recommendation for long-term bus suspension is pending, the Superintendent may extend the bus suspension beyond ten (10) days until the next meeting of the Board. Your parent or guardian will be notified in writing of any extension.
4. When the Board reaches a decision concerning suspension of bus riding privileges, notice of that decision will be sent to all parties by hand delivery or U.S. mail. The decision of the Board is final.
