

**WELCOME SCHOOL BOARD OF ALACHUA COUNTY
ENJOY A 5% EMPLOYEE DISCOUNT**

American dog and cat owners spent about \$23.2 billion on veterinary care in 2006.¹ To help you manage the rising costs of veterinary care, we're proud to offer a **special employee discount on ASPCA Pet Health Insurance**. With this discount, you'll save 5% on your base plan premium for every pet you insure. That's in addition to the 10% discount for multiple pets on the same plan.² Along with these discounts, here are more great reasons to protect your pet with us:

- We offer multiple plans with increasing layers of protection, so it's easy to find one that fits your needs. Plans start with basic accident coverage, then add protection for illnesses, wellness care, and ongoing conditions.
- You can use *any* veterinarian in the US or Canada. Just pay for the services at the time of the visit and submit our simple claim form with any receipts.
- We work hard to reimburse customers quickly. We pay 80% of allowable charges after a low \$100 annual deductible.
- In addition to well-designed coverage, you'll enjoy convenient online account access, simple claim filing, and excellent customer service – all from a trusted source.
- The ASPCA has been protecting animals across the nation for over 140 years.
- Plus, the ASPCA benefits from every plan that's purchased!
